**How we make make your GMB listing dominate top 3 positions of Google map for highly competitive niche in a busy city**

✔ Optimized website home page with main keywords & "near me" + city( considering GMB

categories and services )

- ✔ Created and optimized service pages and interlinked it with GMB
- ✔ Created and optimized landing pages for all important areas within city and created and optimized individual service pages for each location.
- ✔ Build interlinks with services mentioned on GMB with the dedicated landing pages.
- ✔ Created main Citations keeping Nap consistency and interlinked with main website.
- ✔ Posted on GMB every 3rd day and the posts targeting services one by one and linking it to service pages on website.
- ✔ Created Blogs that promotes services per area and optimized it as it gives chance to create interlinks between service pages and GMB.
- ✔ Client to get consistent reviews and asked them to mention services.
- ✔ Keyword focused Google Business profile posts and linked it back to service pages. (social media plays a vital role)
