Understanding Ayushman Bharat Yojana

Ayushman Bharat Yojana, launched by the Government of India, aims to provide health insurance coverage to vulnerable families across the nation. It is the largest government-funded healthcare scheme globally, targeting over 50 crore beneficiaries. Under this scheme, eligible families can avail cashless treatment at empanelled hospitals for serious illnesses and medical conditions.

Benefits of Ayushman Bharat Yojana

The Ayushman Bharat scheme offers numerous benefits to beneficiaries:

- 1. Insurance Coverage:** Families covered under the scheme receive health insurance coverage of up to Rs. 5 lakhs per year per family for secondary and tertiary healthcare services.
- 2. Cashless Treatment:** Empanelled hospitals, such as DP Bora Hospital in Lucknow, provide cashless treatment facilities, ensuring no financial burden on beneficiaries during hospitalization.
- 3. Access to Quality Healthcare:** Beneficiaries can access a wide range of medical treatments, including surgeries, diagnostics, and therapies, at empanelled hospitals without worrying about high medical costs.
