Planning Your Business Trip

1. Travel Documentation:

Ensure your passport is valid for the duration of your stay and check if you need a visa. For EU, EEA, and Swiss citizens, travel is typically straightforward, but nationals from other countries should verify entry requirements.

2. Booking Flights:

Major airports such as Heathrow, Gatwick, and Manchester are well-connected internationally. Business travelers should consider booking direct flights to save time. Business travel services in the UK often offer specialized booking tools to streamline this process.

3. Accommodation:

Choose accommodations that are close to your meeting venues to minimize travel time. Business hotels in the UK often provide amenities like free Wi-Fi, meeting rooms, and business centers.
