- **Car Injuries:** If you or a loved one was seriously injured in a car, motorcycle, scooter, or biking crash caused by the negligence of another, put our decades of personal injury law experience to work for you, as our [Virginia Beach car accident lawyers](#) track record of hundreds of happy clients provides proof positive that we know how to win medical expenses, lost income, pain, mental anguish and all permissible forms of damages.
- **Truck Injuries:** Whether you were injured by a commercial truck, van, tractor-trailer, or 18-wheeler, the experienced [Virginia Beach truck injury attorneys](#) at our firm can help you recover the maximum compensation you deserve.
- **Railroad/FELA:** If you or a loved one sustained any form of railroad death, injury, or an occupational railroad disease/cancer in the eastern United States, contact our experienced [Virginia FELA/railroad attorneys](#). We have successfully handled hundreds of railroad worker injuries (for engineers, conductors, and all railroad crafts), those injured in railroad crossing crashes, occupational lung diseases and cancers, asbestos, and mesothelioma claims.
- **Medical Malpractice:** If you or a loved one were seriously injured due to the negligence of a doctor, hospital, surgeon, nursing home, or other medical providers, or your loved one suffered a wrongful death, you may be entitled to recover all medical expenses, lost wages and financial compensation for impairment, pain, and suffering – and our [Virginia Beach medical malpractice attorneys](#) can help.

justice can be obtained in the form of a significant financial recovery.

- **Brain Injuries:** If you or someone you love has suffered a closed head injury, concussion, or permanent brain injury (TBI) due to a preventable accident caused by negligence, our [Virginia Beach brain injury attorneys](#) are here to fight to recover the medical expenses, lost income and all forms of pain, mental anguish and intangible losses.
- **Mesothelioma/Asbestos:** If you were exposed to asbestos and suffer related cancer, or have developed asbestos-induced mesothelioma cancer, our [Virginia Beach asbestos lawyers](#) can investigate all the responsible companies and sources of products that had invisible asbestos fibers and fight for maximum compensation from every company that negligently exposed you or your loved one to toxic asbestos.
- **Bike Injuries and Crosswalk Injuries:** If you were seriously injured while lawfully riding your bike or as a pedestrian crossing a road, crosswalk, or parking area, contact us. Our [Virginia Beach pedestrian injury lawyers](#) have decades of experience with pedestrian and bike injuries and can help win your medical expenses, lost income, and compensation for impairment, pain, suffering, and all permissible losses.

All we do is injury law, since 1985.

If your case doesn't fall into one of these categories, [contact us](#) – we may still be able to help.
